Important Things to Know

Class changes

For the safety, age appropriate enjoyment and progress of all, students may be advised by their dance teachers to switch to a more appropriate level of class before the open house. Please don't take it personal these choices are made by our experienced teaching faculty and are for the appropriate class progress as a whole, and the enjoyment of all.

No Dance Classes on Monday, October 12th 2009 for Thanksgiving Day.

Everybody please help us keep your dance home clean by taking your outdoor footwear off and putting them in the coat and boot room.

Parents please come in to pick up your child as 2nd Avenue is a very busy street and it is much safer for them to wait for you indoors. Juliette's Dance Centre parking lot is for all clients during class times and office hours.

Lost and found items are placed in the basket in the coat and boot room. The coat and boot room is NOT a change room.

Constructive criticism is always welcome, so please see the office if you have any concerns. The JDC staff wants you to be comfortable and happy in your dance home.

A study desk has been provided in the girl's dressing room for the girls that need to study in between classes.

Please be sure you have all your dance clothes, bags, etc. marked with your name. Street shoes and gum are NOT ALLOWED in the studios/class nor are watches or cell phones during class. Please keep in mind only water is allowed into both studios.

Gala 2010 – Mark Your Calendar

Costumes

After the year-end photo shoot all students but the little ones (Pre-school to Primary) get to take the costumes home unless it is a rental.

If you think you can make, made to measure, good quality costumes for cheaper than \$65.00 please talk to David in the office ASAP because you've got yourself a job.

Don't forget you will be responsible for the care and transportation of your costumes after the year-end photo shoot.

Class Absence

Please notify the office if you have to miss a class. You can make up a class you missed by getting a dance pass through the office within the month of missing class, but that doesn't mean perfect attendance. The perfect attendance awards are meant to motivate students. However if a student is very sick, please stay home in consideration to the other dancers and staff's health.

Student Achievements & Information

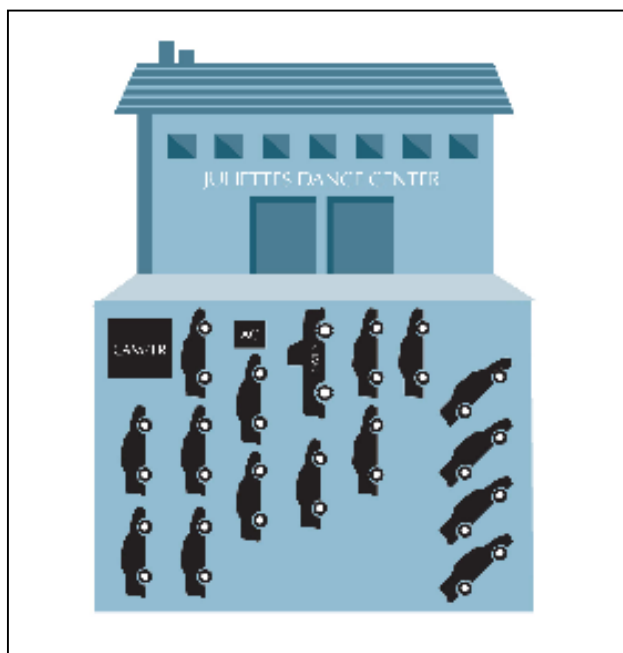

If any students have interesting outside activities or achievements that you would like us to know about please give us a write up in the office for the next newsletter.

Last Chance to order Gala 2009 DVD

If you did not get a chance to order your 2009 Gala DVD now is your time. One last order will be placed on September 26th 2009 so make sure you order your DVD before that through the office at JDC.

Parking at JDC

This picture shows the most efficient way to park at Juliette's dance centre. Please disregard the lines are on the south side of the lot they are for daytime use only.

During dance classes please pull up and follow the plan.

If you get boxed it only takes minutes to get you out. We are confident that, in no time everybody will know who's coming and going and therefore will minimize the boxing in of vehicles.

Thank you

Madame Juliette and all the staff wish you a memorable dance season for this year, the ninth of the millennium. Madame Juliette is also proud to be celebrating her 50th year of teaching.
